Subject: Iowa Institute for Cooperative's
Hall of Fame Nominations

The Iowa Institute for Cooperative's Awards Program was initiated in 1999. Since then, fifty-one individuals have been inducted into the Cooperative Hall of Fame. At the direction of the Institute's Board, in 2005 we began a more formal approach to soliciting the nomination of individuals to be considered for induction into the Cooperative Hall of Fame.

This year the award will be presented to no more than two individuals at our annual meeting that will be held this year on Tuesday, November 22, 2022. We are seeking nominations for this year's award. Enclosed are the specifics of the awards program and a nomination form.

Iowa has a rich cooperative heritage as well as a diverse and active modern cooperative community serving their members today and planning for the future. We hope you will take time to help us identify individuals who have made significant contributions to cooperatives and nominate them for this award.

The selection criteria and procedure can be found on the back of this page. The nomination form can also be found on the Iowa Co-op Hall of Fame page under the "About Us" tab on our website at <http://www.iowainstitute.coop>. All nominations must be submitted on the form or in the same format and received at the Institute's office **no later than Friday, August 19, 2022**. Please expound as much as possible upon your nominee's background and accomplishments. This will be very helpful in providing the selection committee with the information necessary to make an informed decision. Please address your nomination to:
